

Project Delivery Education Program “From the Idea to Final Completion”

Construction Specifications Institute (CSI) Mt. Rainier Chapter Continuing Education

Construction Documents Technologist (CDT) Exam Preparation

Eleven (11) classes starting: Tuesday, January 09, 2018,
Evenings 4 to 6:00 pm

You do not have to be a member of CSI to take this class or the exam. You are eligible for 10 AIA Learning Units for taking this course.

The **Project Delivery Education Program** is based on CSI’s “**Project Delivery Practice Guide**”.

Why CDT class?

Will it get you a Job? More money?
Better Job Security?

Yes and No. But you will become a
more knowledgeable, confident,
capable person

The CDT class will help you develop
your talents

- By gaining knowledge from others
- By understanding how to
implement “Say it once
correctly and concisely
- By learning who knows the Right
Questions to ask
- By developing clear
communication skills

How are you going to learn these?
by taking CSI’s CDT Certification class

Apprentice Architects preparing for the
Architect Registration Exam (ARE) and in
the IDP 2.0 will receive 5 training units from
NCARB for passing the CDT exam.

**Superman has
four “Super” talents –
More powerful than locomotive,
Faster than speeding bullet,
Able to leap tall buildings
X-ray vision**

**Take the CDT Class to
develop your four talents**
