Improving Project Delivery

Dinner Presentation: "Renovation of UW Tacoma's Paper & Stationery Building" by Zubin Rao of Miller Hull and Wes Neeley of PCS Structural Solutions. Zubin has been a project architect with the Miller Hull Partnership for the past four years, during which time he has worked on a variety of higher education and sustainable infrastructure projects. Throughout his career, Zubin has enjoyed designing for the community enhancement and sustainability goals common to all public-sector clients. Wes is an associate and has been with PCS Structural Solutions since 2001. Wes has enjoyed working on renovations and rehabilitation of historic structures to preserve our communities' building stock and see the new life they can have. This presentation has been registered to obtain 1.0 LU from AIA. Certificates will be available at the meeting
