the Built Environment since 1948*

Dinner Presentation: “Cheney Stadium: The Renovation” By Scott Harm of Belay Architecture Scott and Belay Architecture are working with a Contractor in a Design-Build agreement to renovate Cheney Stadium into a modern baseball park and get the work done before the start of the 2011 Baseball season. This session is being registered to obtain 0.1 CEU from CSI CEN and 1.0 HU from AIA.

Professional Development Talk: “Product Evaluation and Specifications” by Dennis Kabba, CSI, CCA and Michael Henry, CSI of BLRB Architects. They have 60 years of product evaluation, specification writing, and construction administration experience. They will share what they have learned and what are the key steps to getting the product you want and installed correctly. This session is being registered to obtain 0.1 CEU from CSI CEN and 1.0 HU from AIA.

Tech Talk: “Lead Safety for Renovation, Repair, and Painting” by Jerry McCaslin of RGA Environmental He is the regional manger for RGA. On April 22 EPA will start enforcing the lead regulations; learn when they apply, and how to become certified. This session is being registered to obtain 0.1 CEU from CSI CEN and 1.0 HU from AIA.
